

EC Certificate

DGM-493

This is to certify that the quality system of

Clinician's Choice Dental Products, Inc.

1980 Hyde Park Road
London
Ontario N6H 5L9
Canada

has been approved in conformity with the requirements of
Annex V, section 3.2 - Production quality assurance

The scope of the certification is:

Manufacture and final inspection of restorative dental materials in class IIa

The EC certificate is valid provided that the quality system continues to conform to the above-mentioned scope and provided that the company does not introduce substantial changes to the quality system without the approval of DS Certificering A/S. The EC certificate is issued pursuant to the DS Certificering A/S rules for the certification of medical devices and entitles the certificate holder to affix the CE mark.
