### **MULTI SPORT GUARD** - with or without strap

- The TotalGard sports mouthguard has instant fit technology and shock absorbing bite tabs which provide maximum protection, fit and comfort for athletes with braces.
- The double arch guard can be cut to become single which still offers full bite rim protection, and provides maximum comfort for all your orthodontic patients and is ideal for your Hockey patients too.
- Packaged individually – so you can order any combination from our three sizes - small, medium or large and comes in various colours including green, blue, black, pink, purple and yellow.
- Ideal for Hockey, Lacrosse, Soccer, Basketball, Baseball, Wrestling and other contact sports.

**\$4.09 ea.** | without strap • **\$4.49 ea.** | with strap
